COACHES FOR 2009!

MT LOFTY VOLLEYBALL CLUB is seeking expressions of interest from anyone with a desire to coach a team, male or female, league or reserves at our club in 2009.

Coaches from 2008 need to indicate their intention again this coming season, and will be considered along with any other applicants.

It is likely Mt Lofty will have 2-3 mens sides, and 3-4 womens sides in 2009, so there is plenty of opportunity for coaches to continue with our club, or join our ranks for the first time.

Our training base is at the Mount Lofty Community Sports Centre, on the grounds of Heathfield High School, Longwood Road, Heathfield, with trainings taking place on Tuesday nights from 7pm – 9pm. We generally have a 6 week pre-season lead up, with consideration able to be given to additional trainings where required.

Mt Lofty not only competes at State League level, but also participates in AVL, and other tournaments around the country, in addition to administering a very healthy number of spikezone and junior league teams.

The club has a very active, dedicated and enthusiastic committee who are totally supportive toward all club members and the events that are chosen to be undertaken.

The existence of a coaches committee, players committee and an all encompassing administration make Mt Lofty Volleyball Club one of the most progressive and professional volleyball clubs in the country.

So if you are some-one who is interested in coaching in 2009, ***please submit a brief expression of interest to me by December 15, 2008.***

Similarly – if you know of some-one who may not have received this notification, please feel free to either forward this document onto them, or have them contact me via the details below. It is the clubs intention to hold a 'coaches meeting' prior to the commencement of the season as an open information forum for discussion and planning.

Yours Faithfully,
Brian Kempe
